Golden Oaks inn Pet Policy

We are happy to accommodate your pet.

A maximum of one large or two small dogs are welcome in each room.

Pet fees are based on the size of the dog. You will be informed of the rate when you check-in.

NO AGGRESSIVE BREEDS ARE ALLOWED.

Animals that pose a health or safety risk may not remain onsite and include those that, in our managers discretion, cause damage to our property or that of other guests, are too disruptive, are not properly attended or demonstrate undue aggression. If a dog behaves aggressively at any time, you will be asked to remove it from the premises immediately.

NO cats, birds, reptile, rodents, fish or insects are allowed.

You will be responsible for any damage done by your pet.

In consideration of all guests, pets must be attended to and under control at all times. Pets should not be left alone in a room. If unavoidable circumstances require a pet to remain in a room while the guest is offsite, the pet must be secured in a crate or travel carrier.

If we get complaints from other tenants or we hear your dog barking excessively, you will be asked to remove your dog from the premises.

Pets must be on a leash or securely carried outside guest rooms and under control at all times.

Please be considerate of other guests when walking pets on the property and clean up after your pet. Please place the "doggie bags" in the dumpster.

If you have any questions, please let us know. Thank you for your cooperation.
